

CALIFORNIA
STATE UNIVERSITY
NORTHRIDGE

FACULTY POSITION ANNOUNCEMENT
PART-TIME
(formerly AA-6)

Department: Health Sciences

Effective Date of Appointment: Spring 2024

CSUN's Commitment to You:

CSUN is committed to achieving excellence through teaching, scholarship, learning and inclusion. As an HSI (Hispanic Serving Institution), CSUN welcomes candidates whose experience in teaching, research, or community service has prepared them to contribute to our commitment to diversity and inclusive excellence. Our values include a respect for all people, building partnerships with the community and the encouragement of innovation, experimentation and creativity. CSUN strives to cultivate a community in which a diverse population can learn and work in an atmosphere of civility and respect. CSUN is especially interested in candidates who make contributions to equity and inclusion in the pursuit of excellence for all members of the university community.

ANTICIPATED NEEDS:

Note: All part-time faculty appointments are temporary and do not confer academic rank. Final determination of part-time teaching assignments is contingent upon student enrollment figures and funding.

Salary:

Rates listed are for full-time faculty. The full-time (15 units per semester) monthly base salaries indicated in the salary schedule are prorated to the number of units worked and are paid in six monthly payments for each full semester. For a three-unit assignment, compensation for Rank 2 is \$4,530 and \$5,405 for Rank 3 per semester.

This is how the three-unit assignment salary is calculated based on rank:

The Rank 2 base salary is \$4,530. Teaching 3 units equates to a 0.20 timebase (3/15). $\$4,530 * 0.2 = \906 per month * 6 monthly checks. The semester salary is \$5,436.

The Rank 3 base salary is \$5,405. Teaching 3 units equates to a 0.20 timebase (3/15). $\$5,405 * 0.2 = \$1,081$ per month * 6 monthly checks. The semester salary is \$6,486.

Courses or Specialization
Health Administration

Qualifications

HSCI 615	Data Management and Analysis for Decision Making in Healthcare	Master's Degree required in Health Informatics or closely related field or equivalent. Practical experience in health information technology/systems is required. Currently working in field is desirable. Doctorate desirable.
----------	--	---
