DIRECTIONS

1. Procedures for creating your own GENIUS profile at InfoEd International

Go to ORSP: <http://www.csun.edu/research-graduate-studies/funding-opportunities-landing-page>

Click on: GENIUS/SMARTS Database

Click on: [Create a New Profile](#)

Pick: [California State University Northridge](#) as your institution.

Enter your First Name, Last Name, E-mail, Department (selected from the list), User Name (you make it up), Password (you make it up), & confirm password.

Click on: [Submit](#)

You will be transferred to a screen: Profile Summary Page.
ORSP's GENIUS administrator will validate, usually same day

2. Set up your automated search for funding opportunities and key words

Select "Edit Profile" & log in using your user name and password.

Select "Key Words"

Add or delete key words. (Be sure to save changes before exiting this screen.)

Return to "Edit Profile"

Select "General"

At the bottom of the general profile page, select the options you want regarding the automated e-mailing of funding opportunities that will be sent to you. (Be sure to save changes before exiting.)
