Dear Prospective Member,

The Iota Chi Chapter of Sigma Tau Delta thanks you for your interest in The International English Honor Society. We would like to take this opportunity to congratulate you on your pursuit of a degree in the field of English and the excellent grade point average you have attained.

Founded in 1924, Sigma Tau Delta now has close to 600 chapters, one of which is the Iota Chi chapter here at California State University, Northridge. Membership is an outward recognition of personal accomplishment as well as an opportunity to get to know some of the most brilliant members in our field. Our national newsletter and award-winning literary publication, *The Rectangle*, seek submissions from members at the local level. Student Members are also eligible to compete for several substantial scholarships and awards. In addition, there is an annual national conference where students and faculty share research and original prose/poetry. These are just a few of the exciting benefits of joining Sigma Tau Delta.

To enjoy membership in Sigma Tau Delta, students must:

- Be currently enrolled students of CSUN, graduate or undergraduate, with a 3.0 overall GPA and a 3.2 GPA in English.
- Have completed a minimum of two college courses in English beyond freshman requirements.
- Pay a one-time lifetime membership fee of \$65.00 at the time of application.

We encourage you to consider becoming a part of one of the most widely recognized English Honor Societies in the world. Applications are available for pick up in the English Department Office (ST 708). Please complete and return it to the English Department along with a copy of your DPR and a check for \$65.00 made payable to Associated Students.

If you wish to serve on the Sigma Tau Delta Board, or if you have any questions regarding Sigma Tau Delta, please feel free to email me!

Sincerely,

Corie Marie Alvarado

President of Sigma Tau Delta, Iota Chi Chapter
