Become a Sexual Assault Counselor

WHO WE ARE

Strength United is a CSUN community agency dedicated to the elimination of sexual assault, interpersonal violence and child maltreatment through healing, empowerment and increased public awareness of prevention strategies. We work with communities to provide trainings, and prevention education to promote social change.

WHAT YOU'LL DO

Volunteer Sexual assault Counselors provide crisis counseling on our 24-hour hotline and onsite emotional support at medical exams, police stations and courts to survivors of sexual violence. Counselors do not need any previous training or experience and do not need to be CSUN students. Attend our 60 hour training (held every September, January, and June) and become a State Certified Sexual Assault Counselor!
