Bloomberg Market Concepts (BMC) is a 10-hour, self-paced e-learning course that provides an interactive introduction to the financial markets. BMC consists of 5 modules—Economic Indicators, Currencies, Fixed Income, Equities, and Getting Started on the Terminal—woven together from Bloomberg data, news, analytics and television.

Students must bring their own headphones/earphones.

Lab Assistants will be available to guide you through the basic commands required to navigate the system.
