

# Sustainability Curriculum Options @ CSUN

## Principles of Sustainability GE Path

Get more out of your General Education classes. Focus your education by choosing a pathway that interests you and earn a GE Path certificate in Sustainability!

- Examine sustainability in depth and from many different perspectives.
- Take 4 lower division GE courses (12 units) and 2 upper division GE courses (6 units) associated with the path.
- After you complete all 18 units, you will be awarded a GE Path Certificate!
