

Free TB Tests for Spring 2020 Service Learning Students Offered between January 27th to March 31st or until funding is depleted.

Students participating in service-learning assignments are often required to obtain a current TB Test before they begin their assignment, which can be obtained from the Klotz Student Health Center at a cost of \$5.00. **Check with your clinical sites whether you need TB testing or a TB Screening questionnaire.** Office of Community Engagement will cover the \$5.00 fee for the TB testing. ***Please read and follow these instructions carefully.***

1) [Visit the Office of Community Engagement](#) (University Hall 280, (818) 677-7395) and ask for a [TB Test Voucher](#), which requires the following information:

- Your name as it appears on your official CSUN records
- Your 9-digit CSUN Student ID number
- The course title, number, and CSUN professor for which you are completing a service-learning assignment
- The name of the community agency where you will complete your service-learning assignment

If you do not have all of the required information detailed above when you come to the Office of Community Engagement you WILL NOT receive a voucher and will need to return with the necessary information in order to receive a free TB Test.

2) [Schedule an appointment at the Klotz Student Health Center](#) for a TB test and follow-up reading by calling **(818) 677-3666**.

- **TB Tests are only given on Mondays, Tuesdays, Wednesdays & Fridays. Go back in 2-3 days to have your test “read” by the nurse: TESTS WILL NOT BE PROVIDED ON THURSDAYS!**
- If you do not go back for a reading within the 48-72 hour time frame, you will need to arrange another appointment and start the process from the beginning. You will be responsible for paying the \$5.00 fee.
- The Klotz Student Health Center will provide documentation of your clearance upon completion of the test reading.
- You should retain the TB test documentation for your records and provide a copy to the community agency you will be working with.

Please be pleasant to the staff at the Klotz Student Health Center. Community Engagement appreciates their participation in providing this service to Service Learning Students.

**** TB Test Vouchers will be provided between January 27th and March 31st or until we run out****
