Job Announcements for: Academic Mentors, Resident Mentors & Office Assistants

DESCRIPTION:
EOP Transitional Programs is seeking highly motivated and responsible individuals willing to commit to a challenging opportunity

The 2017 EOP Transitional Programs at California State University, Northridge is intended to help students build on their academic skills and assist with their acclimation to the university environment. The design and implementation of the intensive transitional program incorporates university-wide coordination and cooperation. Bridge is designed to provide the students with a comprehensive introduction to the university, basic skills development in the areas of reading and writing, study techniques, a student support network, an increased pride in their ethnic identity and greater understanding of the diversity of their fellow students.
