Brethren Brothers: Initially, in late 2013 to early 2014, Tiko and Varo wanted to open a barbershop for socializing, traditional gather such as playing chess, backgammon, etc. providing the best services we have. We went to a beauty school in 2014. Eventually, Tiko graduated in the same year and worked in some barbershops until 2016. Tiko opened his very business in the heart of Glendale on the 20th of April, 2016. The shop was known as "Tiko The Barber" until 2017. As we transitioned from "Tiko The Barber" to "The Brethren Barber Parlour," Varo finally joined, after his graduation and journey in some barbershops, he is now working with Tiko as co-partners. It's fulfilled our dream goals.

Matthew made the decision to move back to San Diego to start his own business, *Feast on This*, a full-production catering and event company. With his impeccable attention to quality and creativity, Matthew continues to wow his guests; leaving everyone with a memorable experience.
