Thu 6/04		7:00AM	4:00PM			
Fri 6/05		7:00AM	11:00AM			
Sat 6/06						

If your access rights permit, you may enter or edit non-worked time, such as sick time, vacation...

To enter non-worked hours, do the following:

1. If the My Timecard widget is not already primary, make it primary by dragging or using the Pop-out option on the Gear icon
2. Click to select the day to which you want to add a pay code or amount.

Note: You cannot have an in/out punch and a pay code on the same line. If you already have a punch on a given day, you must add a new row before you enter a pay code.

Date	Schedule	In	Out
Sun 5/31			
Mon 6/01		7:00AM	4:00PM
Tue 6/02		7:00AM	4:00PM

Sat 6/06			

3. If you already have a punch recorded for that day, click the plus + button next to the appropriate day to add a new row for the pay code or amount.

4. Double Click in the **pay code** column. The Pay Code choice list opens.
5. Select the desired **pay code**.
6. Type the **number of hours** in the amount field.

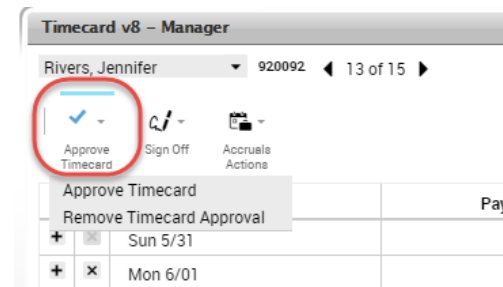

7. Click **Save**. The pay code appears on the appropriate day in the timecard and the Totals Details update to reflect the change.

Note: If you enter a partial hour, separate the hours and minutes with either a decimal point or a colon. For example, enter 8 and one half hours as either **8.5** or **8:30**.

Approving Timecard

Note: If your manager has approved your timecard, you cannot remove their approval or make any changes until they have removed their approval.

To approve timecard, do the following:

1. Open the employee timecard.
2. Select the **The CORRECT Pay Period** from the Time Period choice list.
3. Click **Approve Timecard**.

To remove approval, do the following:

4. Select **Approve Timecard ~ Remove Timecard Approval**. A message briefly appears confirming the removal.

Transferring Labor Account

If your access rights permit, you can transfer time or a pay code to a different labor account.

My Timecard Workspace Summary

To open your timecard, drag the My Timecard widget to the primary view. You might have access to only some of these features depending on how Navigator is configured for you.

The screenshot shows the 'My Timecard' interface. At the top, there are navigation icons for 'Approve Timecard', 'Sign Off', and 'Accruals Actions'. On the right, there are icons for 'Print Timecard', 'Refresh', 'Calculate Totals', and 'Save'. A toolbar at the top right includes a 'Previous Pay Period' dropdown and a 'Loaded: 11:09AM' indicator. The main table has columns for Date, Schedule, In, Out, Transfer, Pay Code, Amount, Shift, Daily, and Period. A 'Totals' section at the bottom shows a breakdown by Account and Pay Code.
