Health Care Provider Guidelines:

The above-named student is requesting a medical withdrawal from **some or all** of his/her courses at California State University, Northridge and has authorized the release of medical information. A letter (on letterhead) by a licensed health care provider verifying the student's inability to continue class(es) must be submitted with the petition before the requested medical withdrawal can be considered. All correspondence from the student's health care provider will be kept confidential.

In order for us to make a well-informed decision as to whether we can grant this medical withdrawal request, we ask you to provide us with as much detail as possible regarding the clinical picture of the student's condition.

Please ensure the following information is addressed in the letter:

1. **Contact information of Health Care Provider: Name, Address, Phone number, and Practicing License Number.**
2. **Describe the serious illness or injury that is preventing the student from completing some or all of his/her classes.**
3. **From your clinical perspective, is there rationale for the student to withdraw from only part or all his/her classes?**
4. **If yes, please state your clinical rationale with some detail. Explain how the medical and/or psychological condition affects the class(es) the student is requesting to withdraw from.**
5. **Provide date(s) of examination for the condition claimed as the basis for medical withdrawal.**
6. **When do you believe the student will be well enough to resume his/her full-time academic program?**
