**FOR IMMEDIATE RELEASE**

**University Student Union Now Offering  
“USU Free Printing Gift Cards” to CSUN Students**

Northridge — The Computer Lab at the University Student Union (USU) invites all currently enrolled CSUN students to take advantage of the support program, *USU Free Printing Gift Cards*, which provides FREE printing through Office Depot. As the fall semester begins, recipients will now be able to print up to 50 pages online or at Southern California Office Depot locations. This is a great opportunity to start off the semester with the materials students need for class strong without breaking their budget.

“The Computer Lab wants to help our students stay on top of their school work while having a smooth semester considering the circumstances,” said USU Computer Lab Coordinator, Nicholas Echeverri. “This free printing gift card is another great way for CSUN students to have their USU resources still available, yet remain safe and healthy during the semester.”

Through Microsoft Forms, all currently enrolled CSUN students can apply for this \$5 Office Depot electronic gift card. There are two ways that print cards can be redeemed, either by preordering through Office Depot’s Online Portal for printing up to 50 pages or by choosing Office Depot Walk-In Self-Service for up to 41 pages. Plus, students can then re-apply for a second gift card eight weeks into the semester, while supplies last! Students are encouraged to take advantage of this valuable USU resource while staying on track for the rest of their fall semester.

Apply today to start printing for FREE with the new *USU Free Printing Gift Cards* courtesy of the Computer Lab! For additional information, please visit [www.csun.edu/usu](http://www.csun.edu/usu) or call the USU Computer Lab at 818-677-5746.
