Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of University Student Union California State University, Northridge as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information on pages 16 to 26 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**Notes to Financial Statements
June 30, 2018 and 2017**

Note 1 - Business activity and summary of significant accounting policies

Business activity

The University Student Union California State University, Northridge (a California State University Auxiliary Organization) (the "Union") is a nonprofit auxiliary organization related to California State University, Northridge (the "University"). The Union was organized to provide a variety of unique and convenient programs and services on the University campus. The Union operates the Student Union building as well as sponsors various campus activities that complement the instructional program and initiatives of the University.

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial statement presentation

The Union is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets, which are described as follows:

Unrestricted - Net assets that are not subject to explicit donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily restricted - Net assets whose use by the Union is subject to either explicit donor-imposed stipulations or by operation of law that can be fulfilled by actions of the Union or that expire by the passage of time. At June 30, 2018 and 2017, the Union does not have any temporarily restricted net assets.

Permanently restricted - Net assets subject to explicit donor-imposed stipulations that must be maintained permanently by the Union and stipulate the use of income and/or appreciation as temporarily restricted based on donor-imposed stipulations or by operation of law. At June 30, 2018 and 2017, the Union does not have any permanently restricted net assets.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and all highly liquid investments with an initial maturity at date of purchase of three months or less.

Accounts receivable

Accounts receivable are stated as unpaid balances less an allowance for doubtful accounts. The Union provides for losses on receivables using the allowance method which is based on experience and other circumstances. The Union had \$8,278 and \$10,300 in allowance for doubtful accounts at June 30, 2018 and 2017, respectively.

Investments

Investments are reported at their fair values in the statement of financial position. Realized and unrealized gains or losses are included in the statement of activities as investment income (loss). At June 30, 2018 and 2017, investments consist of pooled investment funds with the University in the amount of \$5,539,182 and \$4,575,752, respectively.

**University Student Union
California State University, Northridge**

**Notes to Financial Statements
June 30, 2018 and 2017**

Fair value measurements

The Union values its financial assets and liabilities based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below:

- Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.
- Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.
- Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

Property and equipment

Property and equipment are stated at cost less accumulated depreciation and amortization. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets, which range from three to five years. Leasehold improvements are stated at cost and are amortized using the straight-line method over the estimated useful life of fifteen years. Repairs and maintenance are charged to expenses as incurred.

Revenue recognition

The Union recognizes revenues for student fees and services when earned. Deferred revenue consists of amounts received which have not been earned. These amounts are transferred to revenue when earned.

Advertising costs

Advertising costs are charged to expense as incurred. Advertising expense was \$17,431 and \$14,687 for the years ended June 30, 2018 and 2017, respectively.

Functional allocation expenses

The costs of providing programs and activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and general and administrative services benefited.

Income taxes

The Union is a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the Revenue Taxation Code of California. Accordingly, no provision for income taxes is included in the accompanying financial statements.

The Union has no unrecognized tax benefits at June 30, 2018. The Union's federal and state income tax returns prior to fiscal years 2015 and 2014, respectively, are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

**University Student Union
California State University, Northridge**

**Notes to Financial Statements
June 30, 2018 and 2017**

If applicable, the Union recognizes interest and penalties associated with tax matters as part of income tax expense and includes accrued interest and penalties with accrued expenses in the statements of financial position.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events

The Union has evaluated subsequent events through September 24, 2018, which is the date these financial statements were available to be issued.

Note 2 - Concentrations

Financial instruments which potentially subject the Union to concentrations of credit risk consist primarily of cash and cash equivalents. The Union maintains its cash and cash equivalents with high-credit quality financial institutions. At times, such amounts may exceed federally insured limits.

Note 3 - Fair value measurements

At June 30, 2018 and 2017, investments are carried at fair value and are classified in one of the three categories as described in Note 1. The pooled investment funds are not traded on an active market and are therefore classified as Level 2 and are valued using quoted prices for similar assets in active exchange markets.

Legal title to the Student Union building is vested, along with related debt, with the Trustees. Accordingly, both the building and debt are carried on the books of the Trustees. Student Union fees are collected by the University and remitted to a trust fund administered by the University on behalf of the Union. The Union has entered into a ten-year revolving agreement with the Chancellor's Office, which will expire on June 30, 2027 and provides, among other things, that the excess of the student fees (after satisfying certain reserve requirements; servicing principal and interest payments on the revenue bonds; providing funds for major repairs and replacements; providing funds for projects under construction; and Chancellor's Office overhead expenses) is available, after approval by the University, for payment of expenses incurred in operation of the Union.

Pursuant to this agreement, the Union received and recorded to revenue \$14,332,669 and \$12,972,045 to fund its operation for the fiscal years ended June 30, 2018 and 2017, respectively.
