

**Department: Manufacturing Systems Engineering and Management**  
**Effective Date of Appointment: Spring 2024**

The Manufacturing Systems Engineering and Management Department in the College of Engineering and Computer Science at California State University Northridge (CSUN) invites qualified applications for part-time lecturer positions in Spring 2024 semester. We are seeking candidates with teaching interests in both undergraduate and graduate level courses in the Department of Manufacturing Systems Engineering and Management. Candidates must have a strong commitment to inclusive teaching excellence and student success.

**CSUN's Commitment to You:**

CSUN is committed to achieving excellence through teaching, scholarship, learning and inclusion. As a Hispanic Serving Institution (HSI), CSUN welcomes candidates whose experience in teaching, research, or community service has prepared them to contribute to our commitment to diversity and inclusive excellence. Our values include a respect for all people, building partnerships with the community and the encouragement of innovation, experimentation and creativity. CSUN strives to cultivate a community in which a diverse population can learn and work in an atmosphere of civility and respect. CSUN is especially interested in candidates who make contributions to equity and inclusion in the pursuit of excellence for all members of the university community.

**ANTICIPATED NEEDS:**

**Note:** All part-time faculty appointments are temporary and do not confer academic rank. Final determination of part-time teaching assignments is contingent upon student enrollment figures and funding. **Working in the State of California is a condition of employment.**

**Compensation:**

California State University Lecturer Salary (Academic Year) Schedules can be found at

- [Range 2](#)
- [Range 3](#)
- [Range 4](#)
- [Range 5](#)

Placement into a range is based on qualifications and experience. The full-time (15 units per semester) monthly base salaries indicated in the schedules above are prorated to the number of units worked and are paid in six monthly payments for each full semester.

**Pool 1: MSE 515. Engineering Supply Chain Systems and Analytics**

Qualifications:

- 1) **Education:** A M.S. degree in engineering management, industrial engineering or related fields is required.
- 2) **Knowledge:** Knowledge in supply chain system design and analytics is required.
- 3) **Skills:** Demonstrated proficiency in written and oral use of the English language is required.
- 4) **Diversity:** Demonstrated ability to teach/mentor a diverse student population is required.
- 5) Preference will be given to candidates with a Ph.D. in Industrial Engineering and closely related fields or those with significant industry or teaching experience in Engineering Management.

## **Pool 2: MSE 523. Composite Materials**

### Qualifications:

- 1) **Education:** A M.S. degree in Materials Engineering or related fields is required.
- 2) **Knowledge:** Knowledge in composite materials is required.
- 3) **Skills:** Demonstrated proficiency in written and oral use of the English language is required.
- 4) **Diversity:** Demonstrated ability to teach/mentor a diverse student population is required.
- 5) Preference will be given to candidates with a Ph.D. in Materials Engineering or closely related fields or those with industry or teaching experience in Materials Engineering.

## **Pool 3: MSE 606 Production and Operations Management for Engineers**

### Qualifications:

- 1) **Education:** A M.S. degree in engineering management or related fields is required.
- 2) **Experience:** A minimum 2 years of teaching or 5 years of industrial experience is required.
- 3) **Knowledge:** Knowledge in the field of production and operations management, with special attention to such topics as process design and quality, supply chain and project management, and Industry 4.0 enabling technologies.
- 4) **Skills:** Demonstrated proficiency in written and oral use of the English language is required.
- 5) **Diversity:** Demonstrated ability to teach/mentor a diverse student population.
- 6) Preference will be given to candidates with a Ph.D. in Industrial Engineering and closely related fields or those with significant industry or teaching experience in Engineering Management.

### **Application Process:**

Applicants must submit 1) a **cover letter describing your qualifications that meet the position requirements**, 2) **resume/curriculum vitae including all courses you have taught in the last five years**, and 3) **student teaching evaluations for all courses you have taught in the last five years, if any** by email to [msem@csun.edu](mailto:msem@csun.edu). If you apply for multiple pools, please submit **one cover letter for each lecturer pool**. In later phases of the search process, applicants may be requested to provide verification of terminal degrees, licenses and certificates.

**Application Deadline:        October 15, 2023**

### **Inquiries and applications should be addressed to:**

Lakeisha Douglas  
Office Manager  
Manufacturing Systems Engineering and Management Department,  
California State University, Northridge  
18111 Nordhoff Street  
Northridge, CA 91330  
Phone: (818) 677-2167  
Email: [msem@csun.edu](mailto:msem@csun.edu)

### **General Information:**

In compliance with the Annual Security Report & Fire Safety Report of Campus Security Policy and Campus Crime Statistics Act, California State University, Northridge has made crime-reporting statistics available on-line [here](#). Print copies are available by request from the Department of Police Services, the Office for Faculty Affairs, and the Office of Equity and Diversity.

The person holding this position may be considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in [CSU Executive Order 1083](#) as a condition of employment.

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

CSU requires faculty, staff, and students who are accessing campus facilities to be immunized against COVID-19 or declare a medical or religious exemption from doing so. Any candidates advanced in a currently open search process should be prepared to comply with this requirement. To learn more visit our Matadors Forward site: <https://www.csun.edu/matadors-forward/faculty-and-staff-fall-guidelines>.

CSUN is an Equal Opportunity Employer and prohibits discrimination on the basis of race, color, ethnicity, religion, national origin, age, gender, gender identity/expression, sexual orientation, genetic information, medical condition, marital status, veteran status, and disability. Our nondiscrimination policy is set forth in [CSU Executive Order 1096](#). Reasonable accommodations will be provided for applicants with disabilities who self-disclose by contacting Lakeisha Douglas in the Manufacturing Systems Engineering and Management Department, (818) 677-2167, [msem@csun.edu](mailto:msem@csun.edu).
