4:30 - 6:00 Freeplay

## What to Bring:

Please remember to pack your camper's bag every day with a water bottle!! Campers also need to wear comfortable clothing and closed toed shoes. For campers who plan on swimming, parents will *also* need to pack a towel, bathing suit, and sunblock. We also recommend flip flops for the concrete around the pool. Please note that full face masks that cover the eyes and nose will not be permitted for safety reasons. Normal goggles, however, are acceptable. Also note that campers will only swim on Monday, Tuesday, and Wednesday. Talent show rehearsals will take place on Thursday and Friday

On the first day of each week, campers will take swim tests to determine their swimming level. They are able to retest every week if their swimming improves. Campers who do not wish to swim will have a non-swim activity provided.

\*Please remember to label all of the camper's personal belongings and to remind the campers to keep track of their things so as to limit the loss of those items.\*

If your camper has any dietary restrictions, please have them remind their counselors so that we can make any necessary accommodations at lunch!

Welcome to our fifth fun filled week of camp! We are excited this year to have an amazing group of counselors and campers! It is going to be an unforgettable summer!

Please remember that parents need to bring picture IDs to pick up their children every day. Children will **ONLY** be released to people approved of by the parents on the application **AND** who have a picture ID.

## Friday's Theme:

Get ready for a day filled with Talent! This Friday is our Talent Show. Campers are encouraged to go all out as they practice their best talents. We can't wait to see what cool skills you all come out with. The Talent Show will be from 3:30 pm to 5:30 pm. Also please note, Wednesday will be the Half Day Luau.
