What is open enrollment?

TUC allows employees to change their medical coverage during open enrollment. Employees may enroll, change plans, or make changes to their own or family coverage.

If you are eligible for additional benefits such as dental, vision and flexible spending then you may also change these at this time.

During open enrollment period you may:

- Enroll or Delete coverage to any of the benefits.
- Re-enroll in the flexible spending plan
- Change from one health carrier to another health carrier.
- Change your Participating Medical Group (PMG)
- Add or delete dependents** including domestic partners (with confirming documents)

** Please note that documentation will be needed to add a dependent onto a current plan and these may be subject to restrictions.

When is Open Enrollment?

September 11, 2017 to October 6, 2017. FORMS ARE DUE BY 5 PM - FRIDAY OCTOBER 6TH

What if I miss the deadline?

If you miss the deadline, you will need to wait until next fall to change your coverage unless you have a qualifying event (such as a birth, marriage or divorce) that allows you to make a change out of the open enrollment period.

Am I eligible for benefits?

If you are unsure if you are eligible for benefits, you can contact TUC Human Resources.

What if I will not be making any changes to my benefits plans for 2018?

If you are not making any changes to your existing plans then you do not need to take any action UNLESS you are currently enrolled in our flexible spending account. If you are continuing the flexible spending account then you will need to re-enroll.

When do these benefits go into effect?

This open enrollment is for benefits that will be effective January 1, 2018.
