

Public Complaint Process:

A Message from the Chief of Police

It is part of the mission of the California State University, Northridge Police Department to deliver quality service to our community in an effective, responsive and professional manner. We welcome all comments from our community on the effectiveness of our services and the manner in which we deliver those services. We value your comments and encourage members of our community to take the time to compliment our officers and staff when they are particularly pleased with our service as well as notify us when those services are anything less than completely professional and helpful in nature. For minor complaints, we encourage you to speak directly with an employee's immediate supervisor. For more serious complaints, or when for any reason you would prefer to write the complaint or have it documented, this "Public Complaint Form" may be utilized. You may mail or fax it to our Department or deliver it to any supervisory officer on duty. Submissions may also be anonymous.

The Department is committed to a fair, impartial review of all complaints regarding our procedures or the conduct of our employees. California Penal Code section 832.5 sets forth that all California law enforcement agencies shall develop a procedure to investigate complaints made by a member of the public against a peace officer. All complaints will be taken seriously and investigated thoroughly. Corrective action will be taken when warranted. State personnel law requires that the actual discipline remain confidential. Normally, all complaint investigations are completed within thirty (30) days of the receipt of the complaint. Complainants will be notified in any situation that requires investigation beyond a period of thirty days.

Employee misconduct by police department employees is defined as: the commission of a crime, the neglect of duty, a violation of the Department rules and regulations, operating policies and procedures and/or conduct which may tend to reflect unfavorably upon the employee or the Department.
