## Grades, Academic Standing & Transcripts

- You will be held to CSUN grading policies. When the CSUN fully online course ends, your **grade** will be reported automatically to your home CSU campus and posted as transfer credit. If you do not drop your CSUN class by the deadline on page 1 or request formal approval to drop after the deadline, you will receive [a grade of WU](#) (unauthorized withdrawal), which will count as an F.
- Your **academic standing** at CSUN, where your online course originates, will also count. If you receive a D, F or WU grade at CSUN, you may be put on [academic notice](#) or become disqualified even if you remain in good standing at your home campus. Academic notice or disqualification will become part of your permanent academic record.
- As a student at CSUN, you will need to [order CSUN transcripts](#) from us for any future academic endeavors (transferring or graduate school).
