This form is to be used by all CTVA majors in the MULTIMEDIA PRODUCTION option who are enrolling in the Department for the first time in **August 2013 or later**. Returning CTVA majors have the choice of switching to this program or remaining with the program in the catalog under which they originally enrolled.

**Advisement.** CTVA majors must receive advisement every semester; an advisor's signature will be required prior to registration for the next semester's classes. First- and second-semester freshmen must see advisors in the Mike Curb College Student Resource Center/EOP Office. Incoming transfer students and third-semester students must see the CTVA advisor. All other Multimedia Production students must attend one of the Multimedia Production Option advisement sessions offered each semester. You may also seek individual advisement sessions with a Multimedia Production Faculty member. Observe all CTVA advisement dates and check with your advisor on a regular basis. Please take advantage of his or her counsel in all aspects of your CSUN experience.
