Important: Students are responsible for complying with all requirements. Failure to do so will jeopardize their legal immigration status in the United States. Contact your foreign student advisor if you have questions, or need additional help.

- An extension of stay must be processed before the completion date on your current I-20 form. We strongly recommend that you submit your I-20 extension request to IESC at least 60 days prior to the expiration date. If approved, you will receive a new I-20 form with an extended expiration/completion of studies date.
- It is your responsibility to request an extension of stay. According to the USCIS rules, a student may not extend an I-20 after it expires. Students who do not apply for an extension in a timely manner, will lose their legal immigration status. They will then be required to apply for a reinstatement to USCIS.
- The student is responsible for ensuring that all documents have been submitted for the extension of stay to be processed. If there is a "Foreign" registration hold in your CSUN account, please submit proof of health insurance to insurance@csun.edu.
- The student is responsible for enrolling on the first available registration appointment date. Classes will fill up quickly.
- The student is responsible for enrolling full time as well as paying the fees by the deadline.
- If the student will be enrolled in less than a full course of study, a Part-time Request Form must be submitted prior to the Add/Drop deadline of the semester in which the student will be enrolled part-time.
