

**Resolution on Supporting a Series of Public Events at California State University,
Northridge to Focus on the Future of Higher Education in California**
(Approved by Faculty Senate, December 9, 2010)

Whereas the faculty at CSUN is concerned about the future and well-being of higher education in California; and

Whereas a cross-campus committee including five faculty members, the president of Associated Students, and the Dean of the College of Education has successfully proposed a panel on the future of higher education for this coming January's Faculty Retreat; and

Whereas the Faculty Retreat panel will be followed later in 2011 by two other more public events at CSUN designed by the same cross-campus committee and focusing on the future of higher education in the region, the state, and the nation; and

Whereas the cross-campus committee has requested that the Faculty Senate co-sponsor this series of public events by allowing its name ("The Faculty Senate of California State University, Northridge") to appear on various event materials; therefore

Be it resolved: that the Faculty Senate of California State University Northridge agrees to co-sponsor with the Provost Office this series of public events on the future of higher education.
