

Student's Ranking of Companies

Please complete this form and return it to the CECS Coop Office (JD4508) or email it to ecscoop@csun.edu.

Last name:	First name
-------------------	-------------------

Please rank the companies you interviewed with using a progressive scale of 0 to 3. A rank of 3 indicates that you are very interested in working for the company. A rank of 0 indicates the opposite, i.e. you have no interest in working for that company. You can assign the same rank to multiple companies and doing so indicates that you are EQUALLY willing to work for any of these companies. Example: ranking companies X & Y at 3 and company Z at 2 indicates that your best choice is X **or** Y (equally OK) and then Z.
