Please indicate your ranking for each student you interviewed using a **progressive scale of 3 to 0**. A rank of 3 indicates that you are very interested in hiring the student. A rank of 0 indicates that you have no interest in hiring the student. You can assign the same rank to multiple students. *Example: Ranking Kirk and O'Hara at 3, Spock at 2, and Scotty at 0 indicates that your first choice would be Kirk or O'Hara (either would do well), Spock would be your second choice (if Kirk & O'Hara chooses some other assignment then you would be interested in hiring Spock), and Scotty would not match the position at all.*  
**PLEASE COMPLETE A SEPARATE FORM FOR EACH POSITION**
