

Department Request Form

Instructions

BEFORE YOU BEGIN: Save the PDF to your desktop so the SUBMIT button at the end creates the correct email routing.

Field	Explanation
Requestor Name:	Enter the responsible person's name requesting the new Department.
Extension:	Enter the requestor's contact information, in case there are questions.
Email:	Enter the requestor's email address.
New department is:	Select the option that best describes the need for a new department. An out-of-state department requires the resident state . A reorganization or newly formed department requires Mail Drop .
Proposed department name:	Enter the desired description. Field is limited to 30 characters in length and should not include special characters (% , ~ , comma , / , @ , # , \$, % , etc.). The last 5 characters of each department description must include a hyphen and the four digit mail drop code (i.e. Financial Services-8337).
Budget function code:	Select the Budget Function code that best describes the purpose of the department. You may select more than one code, if appropriate. Make sure the sum of the percentages for all codes selected equals 100%.
Roll-up department ID and department name:	Free form field. Enter the Department ID or Node this new department will roll-up to in the finance tree.
Comments:	Free form field. Use this section for special instructions or requests related to the new value.
Default Payroll Funding:	At a minimum, provide the Fund and Program ChartField values for the default Combo Code (Funding Strip). Class and Project values may be included, but are not required. Do not include Account . Only include a Dept ID if the default for payroll will be a department <u>other than</u> the new department.
Are you transitioning any employees to this new department?	If employee compensation/benefits will be charged to this department, HR requires an action form to be completed. If yes, follow the instructions provided on the form to complete the HR requirement.
Are there any classification or compensation impacts to current or proposed positions?	If yes, follow the instructions provided on the form to complete the HR requirement.
Will you need new student and/or faculty pool positions for this department?	If yes, follow the instructions provided on the form to complete the HR requirement.
Submit	Creates an email and automatically inserts the HR and Finance email addresses for the users that will assist in getting the new Department set up in the systems.
