Welcome! This checklist will help you get started on your academic career at California State University, Northridge (CSUN). Planning for your freshman year is an exciting time. Freshman advisement and registration activities for Fall 2021 begin on June 7, 2021 and continue throughout the summer. First-time freshmen may schedule advising appointments beginning May 24, 2021. To be eligible to enroll, you must e-file your Intent to Register and complete Title IX training. Be sure to read this checklist for more important details.

Your Academic Journey at CSUN Begins this Summer!
The Early Start Program serves CSU admitted freshmen who have not demonstrated full proficiency in written communication and mathematics as determined by system-wide placement standards. For some students, participation is strongly recommended or may even be required. Early Start provides students with an opportunity to improve their first semester written communication and/or mathematics placement through summer course work. All students should visit the CSU Early Start Program Page to find out if they should participate. For more information, visit our Early Start website.

Activate Your CSUN Account
Set up your CSUN account and email as explained in the “Activate Your CSUN Account” email from Admissions and Records. This was sent to the email address you provided on your admission application. You will be directed to a webpage to authenticate your identification. Then, you will be able to set your password. For help, visit the Information Technology Help Center. Your CSUN issued Gmail account is the official means of University communication. Use your CSUN email account when contacting CSUN faculty and staff. Be sure to check your CSUN email account regularly for important deadlines and information! Learn more at Student Email.

Confirm Your Intent to Register
Confirm your Intent to Register as soon as you are admitted if you plan to attend CSUN. The deadline is 11:59 PM on Saturday, May 1, 2021. Log into myNorthridge from the CSUN homepage. Locate My Checklist and click the Intent to Register link to accept your offer of admission.
Send Your High School Transcript
Send your final, official high school transcript to Admissions and Records as soon as your last semester’s grades are posted, but no later than the July 15, 2021 deadline. If you completed college-level course work at a California community college while in high school, find out if you can send electronic transcripts through eTranscript California.

Regularly Check for Missing Documents and Tasks
Log into myNorthridge from the CSUN homepage. Locate My Checklist, review your Incomplete Tasks, and complete those items as soon as possible. For help, see My Admissions Checklist.

Find Out if You Need Additional Department Exams
The Math Placement Test (MPT) may be required to demonstrate you are fully prepared to enroll in mathematics courses for STEM-based majors. The Chemistry Placement Test (CPT) is required to enroll in Chemistry 101/L. Due to the ongoing Coronavirus pandemic, in-person placement tests offered by the Testing Center are suspended; however, temporary online options for taking these tests are available.

Complete the Title IX - Not Anymore Training
Its purpose is to promote a culture of respect, raise awareness and prevent sexual misconduct. You will meet this requirement by completing an online, video-based educational training program. You may not register for Fall 2021 classes until you complete the online training so please follow these steps as soon as possible:

- Log into myNorthridge with your CSUN user ID and password.
- Look for the Title 9 (T9) registration hold in My Checklist under the Incomplete Tasks section.
- Select the Not Anymore link in the Student Records paragraph to complete the training and remove the registration hold. Visit our Access Title IX Training tutorial for step-by-step instructions if needed.

If, due to personal circumstances, you would like to discuss alternative options for meeting the training requirement, please contact CSUN’s Campus Care Advocate and confidential resource at (818) 677-7492.

Make an Appointment for Freshman Advisement and Registration
Advising sessions begin June 7, 2021 and continue throughout summer. New freshmen must consult with an advisor in order to register for classes. You may schedule an advising appointment beginning May 24, 2021. Check out these four options to determine who will be assisting you:
Most first-year freshmen receive advising, support and enrollment assistance from the Matador Advising Hub. Be sure to regularly check your CSUN Gmail for important messages from the Hub, including a pre-registration questionnaire and a link to sign up for a freshman registration workshop.

Incoming EOP freshmen are served by the Student Services Center/EOP Satellite housed in their respective academic college. Exploratory EOP freshmen are served by the EOP Exploratory Advisement Coordinator, Dr. Conchita Battle.

Students participating in the Liberal Studies Integrated Teacher Education Program (ITEP)-Freshmen Option are served by the Liberal Studies Program. Students majoring in all other options of Liberal Studies are served by the Matador Advising Hub throughout their first year at CSUN.

Student athletes are served by the Matador Achievement Center.

Don’t forget to mention any Advanced Placement (AP) exam scores and/or community college course work completed during your advising appointment. Your advisor needs to know if you have additional college credits that may transfer to CSUN and satisfy degree requirements.

Before your appointment, you should prepare a tentative class schedule to review with your advisor. Consider accepting the Matador Academic Challenge by enrolling in 15+ units. Research shows that freshmen who attempt 15+ units have higher graduation rates and higher GPA’s. Remember that the schedule you create is just for practice and your advisor will provide feedback. Visit Matadors Rising and Student Success for helpful tips and resources that promote achievement, persistence and timely graduation.

You should make a list of questions about your major, General Education, Financial Aid and Scholarships, Housing, etc., to ask during your appointment. Have your CSUN user ID and password available so that you can log into myNorthridge and the SOLAR Student Center with your advisor.

Allow Two to Three Hours for Your Appointment

Advising is currently being provided virtually. Be sure you have uninterrupted access to a computer with internet for Zoom advising sessions. If you do not have access, please request a phone advising session. Your first-semester advising and class registration session will last between two to three hours. Remember that you can always use your CSUN issued Gmail account to send follow up questions to your advisor.
Review the Online University Catalog Prior to Your Advising Session
The *University Catalog* describes every major, all courses CSUN offers, and provides vital information about academic policies and University rules.

Remember that it is your responsibility to withdraw from classes if you decide not to attend CSUN. Advisors are available to help you if you need to withdraw from classes.
