First-Time Freshman

Welcome! This checklist will help you get started on your academic career at California State University, Northridge (CSUN). Planning for your freshman year is an exciting time. Freshman advisement and registration activities for Spring 2021 begin on November 2, 2020 and continue throughout winter break. First-time freshmen may schedule advising appointments beginning October 19, 2020. To be eligible to enroll, you must e-file your Intent to Register and complete Title IX training. Be sure to read this checklist for more important details.

Find Out if You Need Additional Department Exams
The Math Placement Test (MPT) is required to demonstrate you are fully prepared to enroll in Math 102, 103, 105, 150A or 255A. The Chemistry Placement Test (CPT) is required to enroll in Chemistry 101/L. For more information, see On-Campus Exams. Due to COVID-19, CSUN is offering online solutions for delivery of the MPT and CPT to students.
Complete the Title IX-Not Anymore Training

Its purpose is to promote a culture of respect, raise awareness and prevent sexual misconduct. You will meet this requirement by completing an online, video-based educational training program. You may not register for Spring 2021 classes until you complete the online training so please follow these steps as soon as possible:

- Log into myNorthridge with your CSUN user ID and password.
- Look for the Title 9 (T9) registration hold in My Checklist under the Incomplete Tasks section.
- Select the Not Anymore link in the Student Records paragraph to complete the training and remove the registration hold. Visit our Access Title IX Training tutorial for step-by-step instructions if needed.

If, due to personal circumstances, you would like to discuss alternative options for meeting the training requirement, please contact CSUN’s Campus Care Advocate and confidential resource at (818) 677-7492.

Make an Appointment for Freshman Advisement and Registration

Advising sessions begin November 2, 2020 and continue throughout the winter break. New freshmen must consult with an advisor in order to register for classes. You may schedule an advising appointment beginning October 19, 2020. Check out these four options to determine who will be assisting you:

- Most first-year freshmen receive advising, support and enrollment assistance from the Matador Advising Hub. Be sure to regularly check your CSUN Gmail for important messages from the Hub, including a link to sign up for a freshman registration workshop.
- Incoming EOP freshmen are served by the Student Services Center/EOP Satellite housed in their respective academic college. Exploratory EOP freshmen are served by the Advising Resource Center/EOP Satellite.
- Students participating in the Liberal Studies Integrated Teacher Education Program (ITEP)-Freshmen Option are served by the Liberal Studies Program. Students majoring in all other options of Liberal Studies are served by the Matador Advising Hub throughout their first year at CSUN.
- Student athletes are served by the Matador Achievement Center.

Don’t forget to mention any Advanced Placement (AP) exam scores and/or unofficial community college transcripts during your advising appointment. Your advisor needs to know if you have additional college credits that may transfer to CSUN and satisfy degree requirements.
Before your appointment, you should prepare a tentative class schedule to review with your advisor. Consider accepting the Matador Academic Challenge by enrolling in 15+ units. Research shows that freshmen who attempt 15+ units have higher graduation rates and higher GPA’s. Remember that the schedule you create is just for practice and your advisor will provide feedback. Visit Matadors Rising for more helpful tips and resources that promote student success and timely graduation.

You should make a list of questions about your major, General Education, Financial Aid and Scholarships, Housing, etc., to ask during your appointment. Have your CSUN user ID and password available so that you can log into myNorthridge and the SOLAR Student Center with your advisor.

**Allow Two to Three Hours for Your Appointment**

Advising is currently being provided virtually. Be sure you have uninterrupted access to a computer with internet for Zoom advising sessions. If you do not have access, please request a phone advising session. Your first-semester advising and class registration session will last between two to three hours. Remember that you can always use your CSUN issued Gmail account to send follow up questions to your advisor.

**Review the Online University Catalog Prior to Your Advising Session**

The University Catalog describes every major, all courses CSUN offers, and provides vital information about academic policies and University rules.

**Browse the Schedule of Classes and Use Registration and Degree Planning Tools**

Learn about Class Search, Registration Planner, Degree Progress Report and Planner, Degree Roadmaps, myNorthridge portal and more with our How To Guides. For information on registration dates, see the Registration Calendar.

**Pay Your Tuition and Other Fees on Time**

Payment is due when you register for classes, but no later than the deadlines published in the Fee Payment Schedule. Due dates vary by registration date. If you do not pay on time, you will be dropped from courses. Get details on tuition and other fees, installment plans and more at University Cash Services. If you are a financial aid recipient, check out the anticipated aid tutorials.

Remember that it is your responsibility to withdraw from classes if you decide not to attend CSUN. Failure to follow formal withdrawal procedures may result in an obligation to pay fees, the assignment of failing grades, and the need to reapply for admission to the university. Advisors are available to help you if you need to withdraw from classes.
