This form is to be used by all Pre-CTVA majors and CTVA majors in the MULTIMEDIA PRODUCTION option, who are enrolling in the Department for the first time in **August 2007 or later**. Returning CTVA majors have the choice of switching to this program or remaining with the program in the catalog under which they originally enrolled.

Advisement. After completing the Pre-CTVA major with grades as prescribed below, you may enter the Multimedia Sequence. At that point you will be assigned a faculty advisor who will help you plan your major program. Your advisor's signature will be required prior to registration each semester. Observe all CTVA advisement dates and check with your advisor on a regular basis; take advantage of his or her counsel in all aspects of your CSUN experience.
