

HOW TO FIND A DELTACARE DENTIST AND DELTAVISION NETWORK OFFICE ONLINE

www.deltadentalca.org/pmi

Find the network dental or vision office nearest to you.

- Select **Dental and Vision Directory** on the top of the home page or Finding a Dentist located at the bottom.
- Select **General Dentist, Orthodontist** or **Optometrist** from the Provider Type list.
- Enter your address.
- Select a mile radius.
- Select **FindIt!**

The search results contain network office name, address, phone number, a map and driving directions to the office. You may also search for network offices by name or area.

If you wish to transfer to another network office, call toll-free (800) 422-4234, or submit an online Customer Service form (see reverse for details).

GET CONNECTED

www.deltadentalca.org/pmi

Our web site is convenient and easy to use!

- The office directory is updated frequently to provide enrollees with the newest facilities.
- Our site has answers to frequently asked questions.
- Educational resources for improved dental health are available.
- Find current news and information about PMI.
- Access the online Customer Service form to change to another network office, verify eligibility, request ID cards, order benefit materials and ask PMI's Customer Service department benefit questions.

CUSTOMER SERVICE FORM

- From the home page, select **Contact Us**.
- Select **Enrollees: Customer Service**.
- Select the **Customer Service Request** for PMI's DeltaCare and DeltaVision programs form.
- Once you have completed the required fields, select the Submit button to send the form to PMI's Customer Service department.
