

**Job Title:** Identity Management and Security Analyst  
**Job ID:** 525622  
**Full/Part Time:** Full Time  
**Regular/Temporary:** Regular  
**Job Code:** 0420 Info Tech Consultant II  
**Job Grade:** Exempt  
**Salary From:** \$4,678      **Salary To:** \$8,000 If applicable  
**Department:** Information Systems & Technology, Marketing/Communications

### **Major Duties**

Under general supervision of the Senior Director and Information Security Officer, the Identity Management and Security Analyst leads and plans the implementation, upgrade, troubleshooting, patching, tuning, capacity planning, optimization, disaster recovery and ongoing support for CSUN's Identity Management, Authentication and Information Security systems. The incumbent works closely with other Information Technology teams working on system administration, networking, operations, information security, identity management, SAN/NAS storage systems, Oracle, MySQL databases, and etc.

- Interfaces with vendors and other external stakeholders that contribute to the success of Identity Management, Authentication and Information Security.
- Supports, develops, and maintains architectural diagrams for Information Security, Identity Management and Authentication systems, develops test plans, and coordinates testing to ensure ongoing functionality.
- Develops large and/or complex solutions to Information Security, Identity Management and Authentication that requires analysis and research, and works on multiple projects at once as the subject matter expert.
- Performs other duties as assigned.

### **Qualifications**

- Equivalent to graduation from an accredited four-year college or university in a related field.
- Certification training and applied experience may be substituted for the required education, on a year-for-year basis.
- Three (3) years of full-time, progressively responsible field-related experience that includes knowledge of relevant hardware, software, maintenance, and user support.

### **Knowledge, Skills, & Abilities**

- Thorough knowledge of a variety of software application packages, equipment platforms, reference database systems and sources, and training methods and a basic understanding of networks, data communication, and multimedia systems. Functional knowledge of: Identity Management, Authentication and Information Security systems.

- Ability and specialized skills to: apply and assess user needs; identify, analyze and address user problems; analyze problems and propose effective solution; understand functional and procedural requirements and develop alternative solutions.
- Ability and specialized skills to: relate system solutions to departmental management and staff; communicate effectively both orally and in writing; make presentations; conduct meetings; develop and/or provide user training; and establish and maintain cooperative working relationships with students, faculty, staff, and administration

### **Pay, Benefits, & Work Schedule**

The university offers an excellent benefits package, including but not limited to; medical, dental, vision, retirement & savings, tuition waiver and more.

The salary range for this classification is: \$4,678 - \$11,547 per month.

The anticipated HIRING RANGE: \$4,678 - \$8,000 dependent upon qualifications and experience.

HOURS: Full-Time; 40 hours per week; Monday through Friday; may include evening and weekends.

REG: This is a Regular position with a one-year probationary period.

The position is currently hybrid (2 days in office, 3 days remote); however, this is subject to change based on student and/or operational needs.

### **General Information**

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

### **How to Apply**

Candidates should apply by completing the CSUN on-line application utilizing [http://bit.ly/HR\\_CSUN](http://bit.ly/HR_CSUN) link and must attach a cover letter that addresses the qualifications above and a current resume, including names of three professional references. NOTE: Internal candidates should apply through the portal by accessing the View Job Openings/Apply link on the Human Resources/Employee pagelet.

Initial review begins May 5, 2023 and will be considered in the initial review and review will continue until position is filled.
