Kappa Omicron Nu Alumni Chapter of Southern California Scholarship

Kappa Omicron Nu Alumni Chapter of Southern California is offering a $2,000 scholarship to encourage qualified Family and Consumer Sciences (FCS) students at accredited four-year colleges and universities to prepare for professional careers in the FCS field.

Standards and Requirements for Applicants

1. Kappa Omicron Nu is an Equal Opportunity/Affirmative Action organization.

2. The scholarship is available to a junior or senior pursuing a FCS degree, credential, or internship or to a graduate student with a FCS baccalaureate or master’s degree who is pursuing an advanced degree in FCS or a related field.

3. Undergraduate applicants should have completed a minimum of 75 semester units (or 112 quarter units) toward a baccalaureate degree with a GPA of 3.25. The scholarship recipient must enroll in at least 12 units per term for the year and maintain a 3.0 GPA.

4. Graduate students must be enrolled in an approved master’s or doctoral program at an accredited university (can apply in final semester of senior year) in FCS or a related field. The minimum undergraduate GPA for application is 3.25. The recipient must enroll in at least 6 graduate units per term for the year and maintain a 3.0 GPA.

Payment of Scholarship

Scholarship money will be given in two equal payments for the semester system and three equal payments for the quarter system, beginning in the fall. Proof of enrollment or a photocopy of the official course list should be sent to the Scholarship Chair within three weeks of registration. Subsequent scholarship payments for the year will be sent upon verification of class registration and a transcript showing all the previous term’s work completed with a 3.0 GPA or better—to be sent to the Scholarship Chair within three weeks of registration.
