

Pre-designation of Personal Physician For Work Related Injury

In the event you sustain an injury or illness related to your employment, you may be treated for such injury or illness by your personal medical doctor (M.D.) or doctor of osteopathic medicine (D.O.) if:

- On the date of your work injury you have health coverage for injuries and illnesses that are not work related;
The doctor is your regular physician, who shall be either a physician who has limited his or her practice of medicine to general practice or who is a board-certified or board-eligible internist, pediatrician, obstetrician-gynecologist, or family practitioner, and has previously directed your medical treatment, and retains your medical records;
Your "personal physician" may be a medical group if it is a single corporation or partnership composed of licensed doctors of medicine or osteopathy, which operates an integrated multispecialty medical group providing comprehensive medical services predominantly for non-occupational illnesses and injuries;
Prior to the injury your doctor agrees to treat you for work injuries or illnesses; and,
Prior to the injury you provided your employer the following in writing:
Notice that you want your personal doctor to treat you for a work-related injury or illness, and,
Your personal doctor's name and business address along with their signature.

You may use this form to notify your employer if you wish to have your personal medical doctor or a doctor of osteopathic medicine treat you for a work-related injury or illness and the above requirements are met.
