

CALIFORNIA STATE UNIVERSITY, NORTHRIDGE (CSUN)  
DIETETIC INTERNSHIP

**RECENCY OF EDUCATION FORM**

If you obtained your Verification Statement from your DPD program more than two years ago, you will need to document recency of education or experience. This may be a combination of 2 years of dietetic-related work experience within the last two years and/or graduate level courses in areas related to the Dietetic profession.

1. If the signed Verification Statement is dated within the last two years and the total GPA is 3.0 or higher, the applicant does not need to take any additional classes but will need to document the experience.
2. If the signed Verification Statement is dated within the last two years and the total GPA is below 3.0 the applicant must take show evidence of updated knowledge by taking additional classwork or passing the DTR Exam. Please complete the table below and document how you meet the above criteria.

<i>Dietetic Related Work Experience:</i>
<i>Graduate Level Courses:</i>
<i>Other experiences (i.e., seminars, self-assessment modules, etc.):</i>

The entire calendar year is considered regardless of which month the Verification Statement was issued. For example, if an applicant received a Verification Statement in May 2010, he/she would have until December 2012 for the two year eligibility. The date the Didactic Program in Dietetics was completed is the valid date for the signed Verification Statement.
