

**RESOLUTION ON A QUANTITATIVE REASONING REQUIREMENT FOR ADMISSION TO THE CSU**

(Approved by the Faculty Senate, December 5, 2019)

**RESOLVED:** That the Faculty Senate of CSUN oppose any additional quantitative reasoning requirements currently under consideration by the CSU Board of Trustees.

**RESOLVED:** That this resolution be distributed to:

- Academic Senate of the California State University
- CSU Chancellor, Timothy P. White
- CSU Executive Vice Chancellor, Loren Blanchard
- CSU Campus Senate Chairs
- CSU Provosts/Vice Presidents of Academic Affairs
- California State Student Association (CSSA)
- CSU Faculty Trustee, Board of Trustees, Romey Sabalius
- CSU Board of Trustees Members
- California Governor Gavin Newsom
- LA Times

**RATIONALE:** An additional quantitative reasoning requirement for admission to the CSU would disadvantage high school students who come from under-resourced and underserved communities, particularly those that wish to pursue educational paths such as arts, humanities, and the social sciences. The proposed quantitative reasoning requirement would have a negative impact on access to higher education in the CSU.
