

# Final Examination Schedule

## Final Examination Policy

Student achievement shall be evaluated in all courses. Students shall be fully informed of the manner of their evaluation as well as the requirements and assignments at the start of each semester. In lecture courses, no final examination may be scheduled by an instructor prior to the regularly scheduled time. Any student who finds it impossible to take a final examination on the date scheduled must make arrangements in advance with the instructor either to take the examination at another time prior to the deadline for reporting grades, or request a grade of "Incomplete" be assigned, and must then follow the regulations concerning the removal of the "Incomplete." No exception will be made to these regulations without the written approval of the instructor, the department chair, and the dean of the college in which the course is offered.
