- IMPORTANT! Precautions for Reducing Units:** Reducing the number of enrolled units may affect your eligibility for **campus housing, financial aid, international student status** and more. A financial aid student who reduces the number of units or completely withdraws (including medical withdrawal) may be subject to award reduction, cancellation or REPAYMENT. For details, see [What Affects My Aid – Enrollment Requirements](#). In addition, reducing units or withdrawing from courses may impact [Satisfactory Academic Progress](#) (SAP). Before adjusting your schedule, review **Impact of Academic Schedule Changes** at www.csun.edu/undergraduate-studies/impact-academic-schedule-changes and contact the appropriate office(s) for guidance.
- Students enrolled in accelerated and/or online courses must adhere to the same deadlines and procedures as those described in this table.
- If **adding** units, check your student financial account in myNorthridge Portal for a possible fee increase, including nonresident tuition if applicable, and the payment due date. If units increase to 6.1 or more, additional fees will be charged. For tuition and other fees and the fee payment schedule (deadlines), see [University Cash Services](#). **Note:** Any units added after Feb. 18 will **not** increase a student’s [financial aid award](#).
- For refund information, including how to sign up for eRefund, see www.csun.edu/stufin.
- To request that a medical withdrawal in Weeks 1-4 be indicated on your CSUN record, also complete the [Medical Withdrawal Verification in Weeks 1-4 for Undergraduate and Second Bachelor’s Students \(PDF\)](#).
