1. **IMPORTANT! Precautions for Reducing Units:** Reducing the number of enrolled units may affect your eligibility for **campus housing, financial aid, international student status** and more. A financial aid student who reduces the number of units or completely withdraws (including medical withdrawal) may be subject to award reduction, cancellation or REPAYMENT. For details, see [What Affects My Aid](#). In addition, reducing units or withdrawing from courses may impact [Satisfactory Academic Progress \(SAP\)](#). Before adjusting your schedule, review **Impact of Academic Schedule Changes** at www.csun.edu/undergraduate-studies/impact-academic-schedule-changes and contact the appropriate office(s) for guidance.
2. Students enrolled in accelerated and/or online courses must adhere to the same deadlines and procedures as those described in this table.
3. If **adding** units, check your student financial account in the CSUN Portal for a possible fee increase, including nonresident tuition if applicable, and the payment due date. If units increase to 6.1 or more, additional fees will be charged. View [tuition and other fees](#) and the [payment due dates](#). **Note:** Any units added **after Feb. 16** will **not** increase a student's financial aid award. See [What Affects My Aid](#).
