Medical Withdrawals

A medical withdrawal usually constitutes complete withdrawal from the University for the academic period in question. Medical withdrawals will be granted solely for established medical purposes before a student takes final exams.

Medical withdrawals are guided by CSU Chancellor's Office Executive Order 792. Withdrawal requests made after the second Friday of a summer term session will be considered only for serious and compelling reasons.

Medical withdrawals due to illness in the family will be granted only if the attending physician stipulates that the student is needed to care for the family member.

 *Withdrawing from classes, including medical withdrawal, may affect the student's eligibility for Campus Housing, International Student Status, and/or Financial Aid. Before withdrawing, consult each office for guidance.*

Complete Medical Withdrawals

All students should follow the steps below to request a complete medical withdrawal:

1. Contact the Klotz Student Health Center at (818) 677-3691 or visit the Health Center, Room 235, to start the process.
Web site: www.csun.edu/~shcenter/essential
2. See "Refund Schedule" on page 16.

Partial Medical Withdrawals

In cases where medical evidence and the specific demands of the classes overwhelmingly support withdrawal from only a portion of a student's program, a partial withdrawal may be permitted.

Follow the steps below to request a partial medical withdrawal:

1. Undergraduate Students:
 - ▶ Complete the "Request for Partial Medical Withdrawal for Undergraduate Students" available at www.csun.edu, Quick Links, and select Student Forms.
 - ▶ Complete the "Partial Medical Withdrawal Health Provider Report" with your health provider. The form is available at www.csun.edu, Quick Links, and select Student Forms (under "Withdrawals," bottom of form list).
 - ▶ Submit the completed and approved forms to the Office of Undergraduate Studies, University Hall, Room 215.
