According to IRS Tax Code, Exemption from Medicare and Retirement is tied to enrollment.

To be exempt, a CSUN student must be enrolled at least half-time.

- For Undergraduate Students, half-time means 6 units
 - To maintain FICA exemption through Summer 2024 a student must enroll in a cumulative total of 6 units during all of Summer 2024.
- For Graduate Students, half-time means 4 units.
 - To maintain FICA exemption through Summer 2024, a Graduate Student must enroll in a cumulative total of 4 units during all of Summer, 2024.
- A Student Assistant who is eligible for the FICA exemption is restricted to working 20 hours per week.
- A Student Assistant who is not eligible for the FICA exemption may work up to 40 hours per week.*

If for Summer 2024, a student:

- a) Does not enroll,
- b) Enrolls in a cumulative total of less than 6 (undergraduate) or 4 (graduate) units, or
- c) Drops or falls below the half-time thresholds,

They:

- a) Must be terminated from their current 1870 job code and hired for summer into an 1874 job code.
- b) Will be enrolled in the Part-Time/Seasonal/Temporary (PST) Retirement Plan and their June & July pre-tax gross earnings will be assessed as follows:
 - a. 7.5% will be deducted and contributed to their PST Account.
 - b. 1.45% Medicare tax.
- c) Will have their tax coding changed by HR if continuing in an 1150 or 1152 job code for summer.

Summer 2024 Department Process:

All students working in Summer 2024 must complete and submit an “Hourly Student Employee Summer Form” to the department, indicating their Summer Term Status. They have until **Friday May 17th, 2024** to submit.

Summer Term Status CHECK ONE STATUS ONLY	FICA Tax Exempt	Allowable Job Code	Max Work Hrs/Week

A department is to use the student completed “Hourly Student Employee Summer” forms and transact the necessary processing of Summer appointments directly in PeopleSoft. The form is maintained in the hiring department.

If the student employee is to continue in the 1870 job code, HR will validate all enrollment at the time of mass separation process. For those who planned to enroll but couldn’t for any reason by that time, their record will be handled manually.

- On May 31, 2024 Human Resources will terminate all 1870 and 1880 jobs with an effective date of 05/31/2024.
- Time and Labor attendance data can still be entered by Timekeepers COB 06/03/2024.

ISAs, SAs and NCSs are processed through online positive pay (Weekly Elapsed Time Module), and paid on a mid-monthly basis. Time and Attendance should be keyed according to the Time and Labor Deadlines on the University Payroll Calendar.

Dear Student,

Attached you will find an Hourly Student Employee Summer Form for you to complete and return to your current or summer employer department.

Please complete the Summer Form and return it to your department Timekeeper by **Friday, May 17, 2024**. This form will be used to assess your interest in working and your plans to enroll at CSUN during Summer 2024. In addition, if the department determines to hire you for the Summer based on their needs, the Status Form will be used to process your appointment.

As a student employee, we want to advise you that under certain conditions, you may not be eligible for the student FICA exemption. Specifically, if you are employed in a student classification but:

- a) are not enrolled during the Summer,
- b) enroll for a cumulative total of less than 6 units if you are an Undergraduate student, or 4 units if you are a Graduate student, during all of Summer 2024; or,
- c) drop or fall below these half-time thresholds during the Summer,

you will not be eligible for FICA exemption per Internal Revenue Service Code section 3121 (b) (10).

As a result, 1.45% of your gross earnings would automatically be deducted for Medicare Tax. In addition, you will automatically be enrolled in the Part-Time/Seasonal/Temporary (PST) Retirement Plan and be required to contribute 7.5% of your pre-tax gross pay each applicable pay period. If you are already a member in the California Public Employees' Retirement System (CalPERS), you will not be required to participate in the PST Retirement Program.

The funds deposited into the Part-Time/Seasonal/Temporary (PST) Retirement Plan are fully vested upon enrollment; you are entitled to 100% of your account 90 days after you separate from service. The PST program is a qualified 457 plan under the Internal Revenue Service Code and is administered by Savings Plus. For additional information including designating a beneficiary and obtaining access to your funds, please visit the PST website at: <https://www.savingsplusnow.com/>

Please note, if you do qualify for the student FICA exemption, you are limited to working up to 20 hours per week throughout your Summer appointment.

Consult with your supervisor/manager to determine if you are a self-reporter. If you are a self-reporter, report time worked on the online timesheet. **If you have more than one student job, ensure that you enter and record your time against the appropriate job record/position.** If you are not a self-reporter, submit your paper timesheet to your department Timekeeper or Coordinator. Consult with your department to obtain time reporting and timesheet submission deadlines as the dates may vary by department.

If you have additional questions or need assistance in completing the Summer Student Employee Status Form, please contact your Timekeeper. If your class load or enrollment plans change, please contact your supervisor immediately.

Thank you.
