WHAT IS TADW?

TADW is a six week, immersive summer program for students ages 11-18 interested in all aspects of theatre. Students will receive intensive training in acting, dance, and voice with options available in design/technical theatre. Students will also participate in one of two exciting productions!

Did you ever wonder what Thor and Loki were like in high school? Travel back in time (5000 years ago) to discover the origins of these two brothers in Marvel Comics’ HAMMERED: A THOR AND LOKI PLAY.

Then, we’ll travel to Arendelle to perform the classic story of DISNEY’S FROZEN JR., featuring all the fun, music and magic of the movie and Broadway show.

Additionally, our students will also perform in three culminating class events: AN EVENING OF IMPROV COMEDY, A TEN-MINUTE PLAY FESTIVAL, and a MUSICAL THEATRE SHOWCASE. All of this in an amazing six weeks!

CLASS SCHEDULE

Classes are taught by THEATRE PROFESSIONALS. Our goal is to help students BUILD CONFIDENCE, SKILLS, AND TECHNIQUES while exploring the performing arts.

The daily schedule is subject to change during the technical rehearsal process as well as during the performances. This includes Saturdays.

Classes are based on grade levels. All classes are held in Nordhoff Hall on the campus of California State University, Northridge.

CLASS SESSION #1
8:15 a.m. - 9:15 a.m.

CLASS SESSION #2
9:20 a.m. - 10:15 a.m.

CLASS SESSION #3
10:30 a.m. - 11:25 a.m.

ELECTIVE CLASS

LUNCH
12:30 p.m. - 1:15 p.m.

REHEARSALS
1:15 p.m. - 4:15 p.m.

Classes:
- Acting (Levels I, II, III) - Students in this course develop skills in characterization, projection, and analysis.
- Dance (Level I, II, III) - Dance covers a range of dance styles and techniques created to help students move better.
- Musical Theatre (Levels I, II, III) - This course focuses on vocal techniques as well as movement and character analysis.

Electives:
- Design/Tech - This hands-on course explores the role of the costume, scenic and lighting designer.
- Improvisation - Games and exercises help students learn how to think fast (and funny) on their feet.
- Stage Make-Up - Students learn basic techniques as well as special effects make-up and character design.
- Playwriting - The authors in this elective are led through the writing process to develop their own literary voice.
- Puppetry - Students learn a variety of puppetry techniques as they construct and perform with puppets.
