

NONPROFIT FISCAL SPONSORS – LOS ANGELES COUNTY

April 2019

NOTE: *All information below was obtained from the websites of the organizations listed. VNR shares this information only as a place to start in looking at nonprofit fiscal sponsors. No claim is made that the information provided is accurate or current, or that all area fiscal sponsors have been included.*

Heluna Health

Heluna Health, formerly Public Health Foundation Enterprises, is a nonprofit organization that provides program and support services to optimize population health. The organization partners with hospitals, researchers, government entities, private companies, social impact investors, community organizations, and public-private coalitions to provide a suite of tools to assist practitioners to achieve their goals, including program development, personnel, financial/grant management and custom solutions.

Social Impact Fund

The Social Impact Fund is organized to create a nonprofit vehicle to host charitable efforts, particularly for those programs that have not yet, or will not, gain a 501(c)(3) determination from the IRS. It serves as a fiscal sponsor for charitable programs that advance the social good and make a positive difference in the world-at-large.
