

Gradebook for SOC304 Sp26 w/ Godard, Page 1 - INTRODUCTION

This is an explanatory guide to the pages that follow. Please refer to it before proceeding.

This is a comprehensive summary of your progress in the course. Above all, note that there are four pages, including this introduction.

I expect the 32 students enrolled will submit approximately 800 quizzes, 128 papers, and 64 exams.

I've already entered grades for 683 quizzes, 91 papers, and 61 exams.

I still need to enter grades for 0 quizzes, 25 papers, and 0 exams.

Students might still submit as many as 117 more quizzes, 37 more papers, and 64 more exams.

GRAY? -- Your entire row is gray, on every page, if I don't have a phone number & photo number (or photo) for you, or if you have not completed the intake form AND given permission for your data to be presented here. You are NOT required to do so.

PAGE 2 -- OVERVIEW

"Points Earned" is total of credit earned towards 100 total points.

(Remember that percentages are parts of 100. Aceing a paper worth 10% earns 10 pts.)

"Estimated Grade" is based on what you've earned so far, what others have earned, how much time is left, etc.

Yellow cells are more than 2 std deviations below the mean.

PAGE 2 - EXAMS

Exam grades are not based on "total points" or % correct. They are standardized to the mean & standard deviation of points missed, and are provisional, subject to adjustment w/ any grading corrections or late submissions.

The "Missed" points is shown raw, then adjusted for the minimum, maximum, and range of points missed by the entire class.

The "grade" adjusted based on a factor that takes into account the mean, median, and standard deviation of points missed on that assignment by everyone in the class (see the very bottom row, below mean and std. dev.)

PAGE 3 -- QUIZZES

There's a column for each date with a quiz. A number there indicates the number of questions (of 5) that you missed.

For dates when there was an error with my clicker data (light blue headers), you will get for that quiz, the average of your remaining quizzes.

If you document a valid excuse from attendance, you will get for that quiz, the average of your remaining quizzes.

If you sign the roll but don't take the quiz, you get the minimum quiz grade (5 wrong) and the cell should be green.

PAGE 4 -- PAPERS

There are columns tracking the show you wrote about, the reading you wrote about, the date you submitted, and how early or late it was.

Days Late is 0 if it was on time, negative if it was early that number of days. Remember that work is due at the START of lecture.

The SimScore is the Similarity Score provided by TurnItIn, a measure of the extent to which your work may be plagiarized
