Professor Schutte,

It has been a pleasure to have
a professor who actually cares
about his students well being.

Although it was hard to stay positive
and focused at times, you made
sure that we did not fall off track.
Thank you for showing us you care.

Michelle Brown

Best prof here at CSUN! I've
never met a prof who cares
about their students. Explains
information over and over
until we understand it! I
am glad I took this Sunday
class. I have learned
a lot. Thank you for making
this Sunday class as easy
as possible.
